

To whom it may concern

Project: Abu Sultan Power Plant 4x150MW - Unit Three Replacement of
Feed Water Pumps

Subject: Dismantling, Erection, Commissioning and Start –Up

Date: 4th March 2014

Egyptian Marketing Consultants (EMC) hereby certifies that Power Plants Services Company S.A.E. (POWERSERV) had successfully completed its obligations related to the contract awarded to POWERSERV to conduct the Dismantling, Installing, Commissioning, and Start-up activities up to the Owner's issuance of the Taking Over and Acceptance Certificate (TOAC) for Feed Water Pumps Replacement at Abu Sultan Power Plant 4x150MW / Unit Three through EDEPC Tender Package.

The contract was conducted on a Lump Sum basis and executed during the period from Nov. 2012 to Feb. 2013.

POWERSERV had performed its duties to the ultimate satisfaction to EMC during the contract execution, POWERSERV technical and management teams had demonstrated high level of proficiency and deep understanding to all technical and contractual issues related to the scope of work.

During POWERSERV project execution period they have exerted 900 hours with Zero Accident record, and followed all site HSE instructions and procedures efficiently.

We highly appreciate POWERSERV performance and experience in power plant construction and commissioning. We would not hesitate to recommend POWERSERV team for similar projects wishing them all the success in future.

Yours Sincerely;

Eng. AMR Dessouky

Senior Partner
