

To whom it may concern

Subject: Supply and Install 13.72 KWP Solar Photovoltaic Roof System in
ERA building and connecting to the main electric feed of the building
by
Grid tie Inverter (Limited Tender No. 3/2012/2013)

ERA Egyptian Electric Utility and Consumer Protection Regulatory Agency hereby certifies that Power Plants Services Company, S.A.E. (PowerServ) had successfully completed its obligations related to the contract awarded to PowerServ to conduct the supplying and installation of 13.72 KWP Solar Photovoltaic Roof System in ERA building and connecting to the main electric feed of the building by Grid tie Inverter (limited tender no. 3/2012/2013).

PowerServ staff conducted the scope through ERA Consultant instruction and recommendations.

The contract was conducted on a Lump Sum basis and executed during the period from July 2013 to Sep. 2013.

PowerServ had performed its duties to the ultimate satisfaction to ERA. During the contract execution, PowerServ technical and management teams had demonstrated high level of proficiency and deep understanding to all technical and contractual issues related to the scope of work.

We highly appreciate PowerServ performance and experience in Solar Photovoltaic Projects.
